Casa Bloom Blakstad Property in Santa Gertrudis for Sale

Located just 10 minutes from Ibiza, near Santa Gertrudis, this stunning 470m² luxury Blakstad villa sits atop a mountain with breathtaking views over the valley. The property is set on a vast 28,000m² plot, surrounded by trees and a growing forest, the property is designed to create a more intimate atmosphere as the trees mature.

Blakstad expertly blends the fundamentals of traditional Ibizan architecture with contemporary functionality, form, and style. Deep respect for Ibiza's cultural heritage is the foundation of every Blakstad project, while cutting-edge technology, modern materials, and innovative design create remarkable villas both on the island and beyond. In the world of Ibizan architecture, the term 'a Blakstad house' has become synonymous with beauty, quality, and prestige.

This villa features an open floor plan with large sliding doors, creating a bright, airy, and enjoyable atmosphere throughout. The current layout includes five bedrooms, five bathrooms, a spacious 70m² private swimming pool, and expansive outdoor terraces perfect for enjoying the sun all day long.

The property was under construction but has now been completed. We will soon be updating with new photographs.
