Stunning One Bedroom Apartment with Sea View in Figueretas, Ibiza

This 54 m² apartment, ideally located in the heart of Ibiza, offers a unique living experience combining modern comfort and spectacular sea views.

Completely renovated, it features a large, modular living space that can, thanks to curtains, transform into a guest room or an additional area for hosting. Originally a two-bedroom apartment, the living room was expanded to create a brighter, more open, and inviting space.

The open-plan kitchen, designed for both style and functionality, is fully equipped, offering a pleasant and practical cooking area.

The main bedroom includes a large mirror and a dressing area, optimizing the space while adding an elegant touch. The modern and practical bathroom completes this harmonious ensemble.

The living room opens onto a terrace — the highlight of the apartment: a perfect space to relax and enjoy stunning sea views in complete serenity.
