Dream Getaway in Ibiza 5 Bedroom Villa for an Unforgettable Holiday

This exceptional luxury villa in Es Cubells, Ibiza, offers 500 m² of living space, featuring five bedrooms, six bathrooms, an office, and expansive terraces with breathtaking sea views. Designed by a renowned architect, the villa combines modern elegance with natural beauty, featuring a grand double-height living room that opens directly onto panoramic ocean vistas. The property includes a spectacular 15x8 meter swimming pool, a lush garden, and a pine forest at the back, creating a private oasis.

The villa enjoys a prime location within the exclusive Vista Alegre community, ensuring both privacy and convenience. It is just minutes from chic beach clubs and restaurants, with easy access to the beaches of Es Cubells, Es Torrent, and Cala Jondal. The international airport is only 15 km away. The home offers complete comfort with amenities such as air conditioning, a fully equipped high-end kitchen, a Sonos-controlled sound system, and private beach access with boat mooring.

Inside, the villa features a luxurious master suite, a VIP guest suite, and three additional guest bedrooms, each with stunning sea views and private bathrooms. There is a shaded outdoor dining area, and ample space for relaxation, including sunbeds and a large chill-out area with sofas. With 24-hour security, a kids' area, and numerous premium features, this villa provides an exceptional lifestyle in one of Ibiza's most sought-after locations.
