Typical ibiza country villa with pool facing sunset St.Miguel

Beautiful virgin countryside, which can only be found in the north of Ibiza, the house is set in 80,000 m² of private land, which is divided by the traditional and historic Ibizan terraces. The land has mainly olive, carob, and almond trees. Immediately surrounding the house is an immaculately kept garden with bougainvillea and palm trees. There are also many trees, from orange, lemon, cherry, and fig to pomegranate, apricot, and plum.

Set in virgin countryside in the north of the island, this 250-year-old, completely renovated farmhouse is a tranquil paradise waiting for you. The house is situated on a mountainside and has spectacular views over the valley of San Miguel. Relax in a beautifully landscaped garden, complete with palm trees and even swings for the little ones. A combination of all the comfort you deserve while maintaining the original style and charm and tastefully decorated with items from Asia.
