BEDROOMS 4 BATHROOMS 4 AREA 493m2

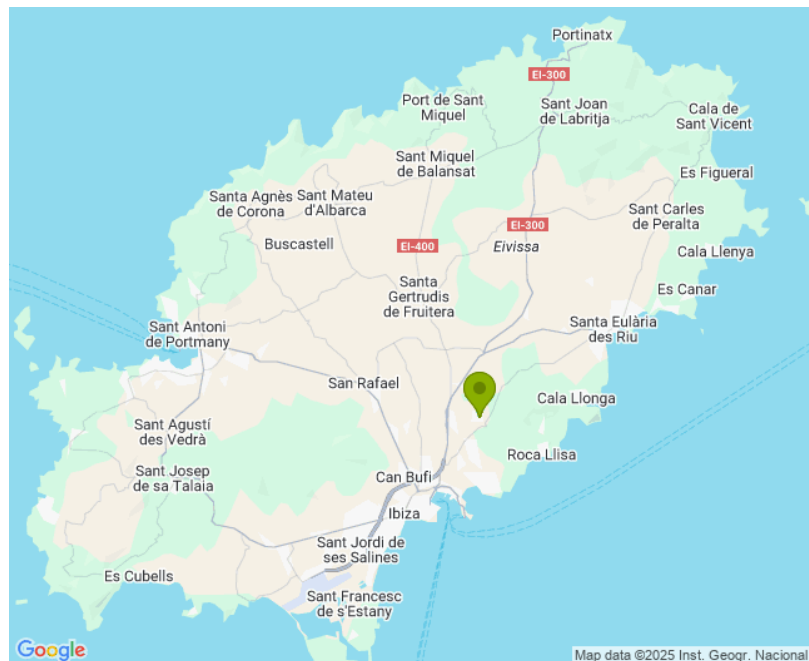

Buy land with house under construction in Can Furnet

A few minutes from Ibiza town center and the village of Jesus where there are all shops, you will find this beautiful land for sale with house under construction in an urbanization called "Can Furnet".

This urbanization is secure, protected by an access with a barrier and guarded 24 hours a day.

The location of the land will give the villa a 180 degree view of the mountain and the valley. This exclusive villa has been designed to maximize relaxation.

The property's floor plan has a large opening in combination with the use of high-end materials facilitating a great feeling

of comfort. **Buy land with house under construction in Can Furnet.**

The buyer of the house can customize the property according to his needs.

The license to start construction of this project has already been obtained, allowing for a quick kick-off and a smooth building process.
