Serenity's Haven: A Five-Bedroom Villa for sale

Nestled amidst lush woodlands just on the outskirts of Ibiza Town, this five-bedroom estate exudes an air of tranquility and luxury. Crafted by the esteemed design firm, Bloom Studio, the interiors are a testament to organic elegance, where natural elements blend seamlessly with modern comforts.

Sunlit spaces feature whitewashed walls and cool stone floors, offering a serene backdrop for relaxation. The living area boasts bespoke seating, gracefully curving around the room, while practical shelving discreetly merges with the architecture. The kitchen is a culinary haven, with wooden cabinets, marble countertops, and integrated appliances creating a harmonious balance of style and functionality.

Outside, a dining terrace awaits, crowned by a Sabina wood roof, providing the perfect setting for al fresco gatherings. A sprawling lawn and a sparkling 10-meter pool complete the outdoor oasis.

Upstairs, the principal suite epitomizes refinement, with wooden ceilings, pristine walls, and a luxurious en suite bathroom. Each of the remaining bedrooms exudes its own unique charm, offering comfortable retreats for guests.

A final touch of indulgence awaits in the outdoor bathroom, where a rainfall shower and natural stone accents elevate the bathing experience. This estate offers a sanctuary of understated luxury, where every detail has been thoughtfully curated to create an unparalleled living experience.
