

Fantastic 5-bedroom en-suite country villa with guest house within walking distance of the beach to buy.

BEDROOMS 5 BATHROOMS 5 AREA 250m2

Fantastic 5-bedroom en-suite country villa with guest house within walking distance of the beach to buy.

This villa is located on the north of the island close to the area of San Carlos just a few minutes' walking distance from sandy beaches, this is one of the most acquired areas of the north. The tranquil and sheltered location of the green countryside makes this place a haven for those seeking natural surroundings & relaxation

The villa is in top condition perfectly equipped for all-year living, with beautiful covered terraces, a family pool area with a rock waterfall, beautiful exterior multicoloured led lighting in the garden area, and spacious bedrooms all with ensuite bathrooms and large showers rooms nicely decorated.

The property offers a very comfortable guest house, all is in perfect condition, with brand-new doors and windows and air conditioning in every room.

This country house is a real gem for the asking price, It boasts lots of Mediterranean charm and will be a true oasis of well-being for the new owner as well as an amazing investment opportunity!

There is also a plot of land of around 1100 m2 with an approved project from an architect ready to build that can be purchased separately.
