This property is superbly located only 5-10 minutes drive from the Airport, Ibiza Town and the lively Playa den Bossa area. This charming and quiet countryside setting is surprising and has beautifully landscaped grounds from which to enjoy the slightly elevated views toward the South. The Villa has lots of character, fabulous chic interior styling and a wonderful pool area.

In the main house there's a large master suite on the entire top floor, with an annex area perfect for a family with a small baby. Downstairs there are 2 bedrooms and a bathroom. The lower 2 bedrooms are connected to the master bedroom via a private elevator; there is no internal staircase. Around the back of the main house is an independent 1 bedroom apartment. At the pool there is another 1 bedroom apartment. This house is perfect for groups that want to share. Study / Office. Lounge areas. Many chillout areas. Lots of terraces. Swimming pool Jacuzzi.
