# House with pool and Beautiful views for sale in Jesus

Beautiful country house with garden and pool for sale in Jesus. This charming 120m2 house boasting a magnificent unobstructed view stretching far over the sea and the fortified city of Ibiza presents a great opportunity for investment due to its strategic location on an urban plot of 560m2, with the possibility of expansion (building a first floor), or for a family in search of their ideal property on our beautiful island. It comprises a large covered parking space at the entrance of the property, followed by a covered summer lounge with barbecue.

Upon entering the house, we find ourselves in a bright entrance hall leading to the spacious living room, both equipped with large windows and French doors, flooding the entire house with natural light and the breathtaking unobstructed view. The living room features a closed fireplace, optimizing comfort and energy efficiency. Next is the dining room, the fully equipped kitchen, and a utility room with direct access to the parking area, perfect for unloading groceries effortlessly, all in an open space layout.

Another beautiful detail of this property is an exotic garden separated by large windows from the previously described part, featuring two double bedrooms and the recently renovated bathroom with high-quality materials. In the outdoor area of the property, the garden includes a vegetable garden already planted with fruit trees and fertile soil, followed by a shaded chill-out area, a complete shower room,

an underground room housing the water and pool machinery, and finally, we reach the pool area with complete privacy and plenty of sunshine.

This fantastic opportunity will not stay on the market for long. We are at your disposal for any inquiries or to arrange a visit.
