Tourist rental license! luxury villa with spectacular views to buy

The main floor consists of a spacious living room with impressive windows where you can appreciate its beautiful sea views, this privilege, you can enjoy in most rooms of the house.

A well-equipped bulthaup kitchen fully equipped with high-end appliances, which also has impressive sea views.

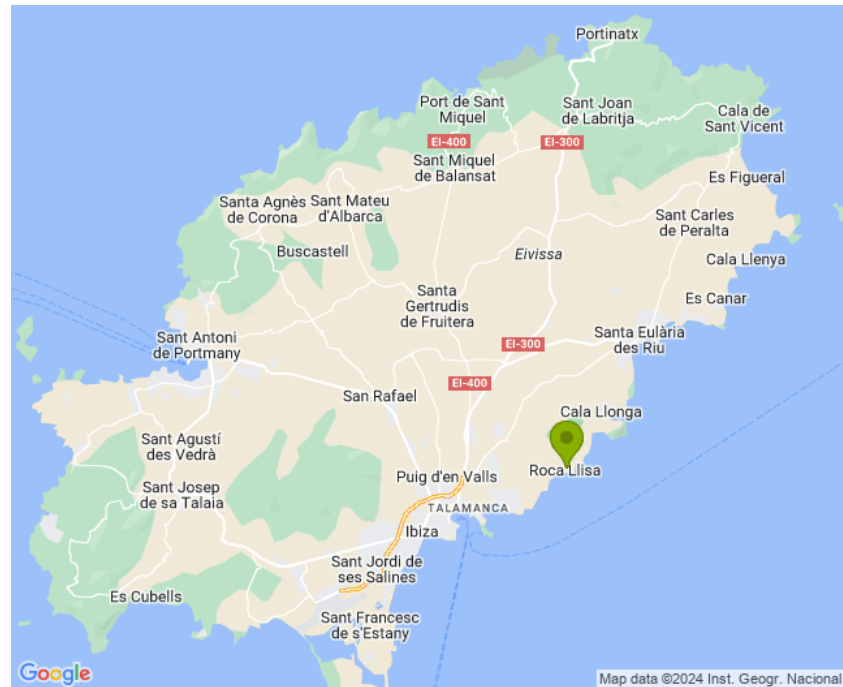

All of the bedrooms are en suite and with a dressing room.

Outside, you can see a spectacular terrace that is divided into several parts. An outdoor dining room, relaxation areas, rooftop jacuzzi, gym complete with its bathroom and the large infinity pool.

From the garden, we find an access that goes directly to a beautiful hidden cove.

With the advantage of a touristic license, this property makes an excellent investment opportunity!
