New Residential Project of 57 Homes in Santa Eulalia For Sale

A sophisticated residential building leveraging on south-facing with infinity pool within the community, consisting of 57 units of 1 to 3 bedroom apartments for sale, penthouses with their own terraces and private pools.

There are community areas to enjoy the sunsets & relax with beautiful Mediterranean gardens designed with ecological & low maintenance irrigation system and a gymnasium. There are also 3 floors of subterranean garages and storerooms.

The location is situated right in the heart of St.Eulalia with walking distance to the beach, marina and all the amenities such as bars, restaurants and shopping. This is the place where you'd want to live!

With only 21km from Ibiza airport, St.Eulalia is an ideal destination for families seeking tranquillity and beauty in the same place. St Eulalia has its own town council, church, beautiful citrus tree promenade, beach, marina and tree-lined river that stretches into the sea.

The architecture has been inspired by the Ibicenco style of the 'Payesas' houses which surround the neighbourhood and create a comfortable atmosphere.

Prime quality finishes with high-end materials and state of the art technology.

You could be a part of this magnificent construction process, a project that offers all the comforts.

Delivery is scheduled for April 2023.
