Cala Salada luxurious modern villa for sale with under construction

Immerse yourself in the epitome of island luxury with this stunning 551m² villa, strategically positioned on the island's serene west side to capture breathtaking sea vistas and enchanting sunsets. Nestled in a prestigious seafront residential enclave, this architectural masterpiece boasts avant-garde design by Carlos de Rojas, the esteemed Balearic architect renowned for his innovative approach.

This villa is a celebration of modernity, offering expansive living spaces that seamlessly extend into the horizon. Constructed on a generous 955m² plot, the home spans three meticulously designed floors, with two featuring a dramatic cantilever over the lush garden. An outdoor waterfall adds a touch of tranquility to the elegant swimming pool area, inviting relaxation.

The villa accommodates luxury with 5 exquisite bedrooms and 3 modern bathrooms, ensuring ample space for comfort and privacy. Revel in the infinity pool's embrace or lounge in the chic terrace's chill-out zone, designed for ultimate relaxation and social gatherings. With a capacious garage, this home is not just a residence but a statement of grandeur, offering an unparalleled living experience by the sea.
