Beautiful large house to reform near San Miguel area for sale

For investors, this property offers many possibilities with privacy surrounded by nature with a large plot, and beautiful open views of the countryside and the hills, we find this beautiful finca that offers perfect connections to the village of San Miguel, Santa Gertrudis and the international school of Morna only a few minutes drive away.

The house has more than 16,000m² of flat land, with olive trees, fruit trees, carob, almond, pistachio, fig and cypress trees.

The buildings on the farm are distributed in; main house, new construction extension of 70m² and independent annex of new construction.

In the main house we have two floors with 4 bedrooms, 3 bathrooms, kitchen, living room with fireplace, laundry room, upper terrace / solarium, covered terrace on the ground floor.

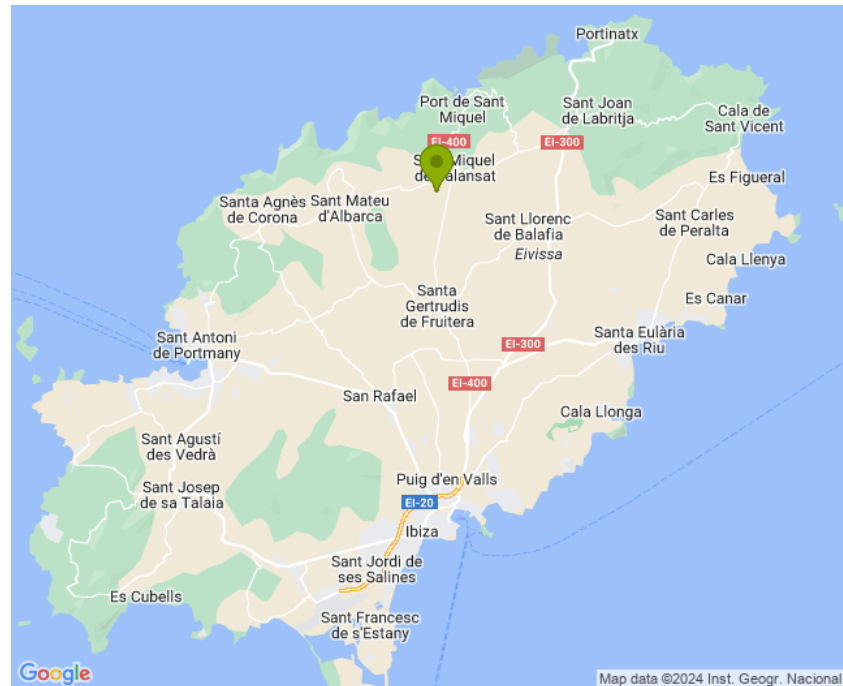

The expansion of new construction has many possibilities; It can be joined to the main house, leaving the day area facing the pool with a 70m² living room and kitchen, or it can be an apartment with 2 bedrooms and 2 independent bathrooms or used as a large study, garage, etc.

The annex is totally independent of new construction as well and has 2 bedrooms, 2 bathrooms, living room with open kitchen and you can install beautiful pergolas that would give you a fantastic summer terrace.

We also find an 8m x 4.5m pool, a barbecue house in the pool area, and extensive paved terraces.

On the house there is a rainwater collection cistern and another supply cistern to the main house.

For buyers and investors, this is a very attractive property offering many possibilities and enough space for family and friends in a great practical location on the north of the island.
