Newly renovated detached house with 3 flats close to the beach for sale

This unique and spacious brand-new property offers a great location, this is a fantastic opportunity to acquire a wholly renovated detached house with a total of 3 units.

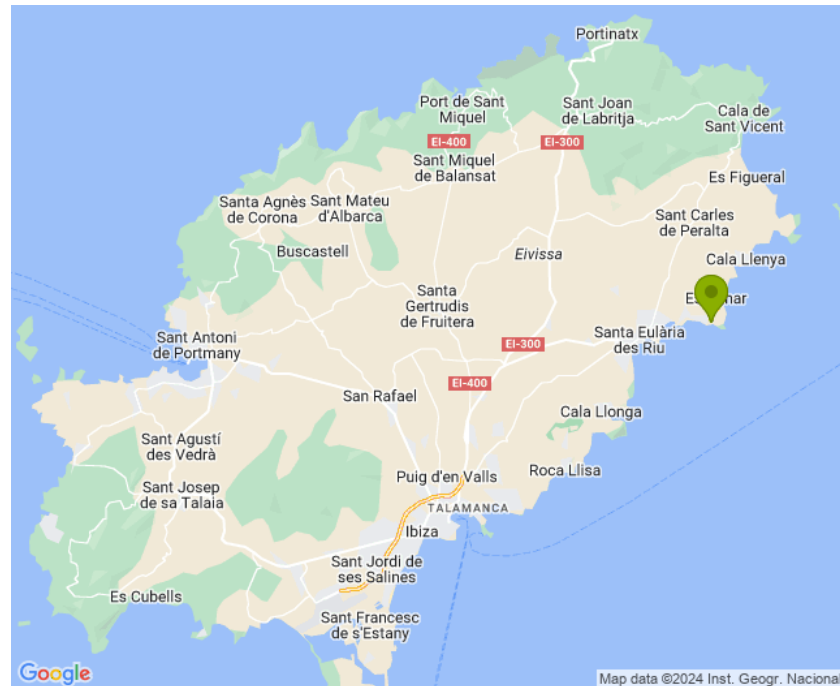

The light-flooded property is within walking distance to an amazing beach, some beach clubs and restaurants are in the surrounding area, and the property is situated near the north area of Santa Eulalia.

The property has been tastefully renovated, there is also the possibility of building another studio and a pool. (A project must be submitted in this regard).

The adjoining building plot with project and licence would be available for a surcharge of 450.000 euros.

A unique opportunity for investors to enjoy a brand new property just a few steps from a beautiful sandy beach.
