Modern finca with sea views in Santa Eulalia for sale

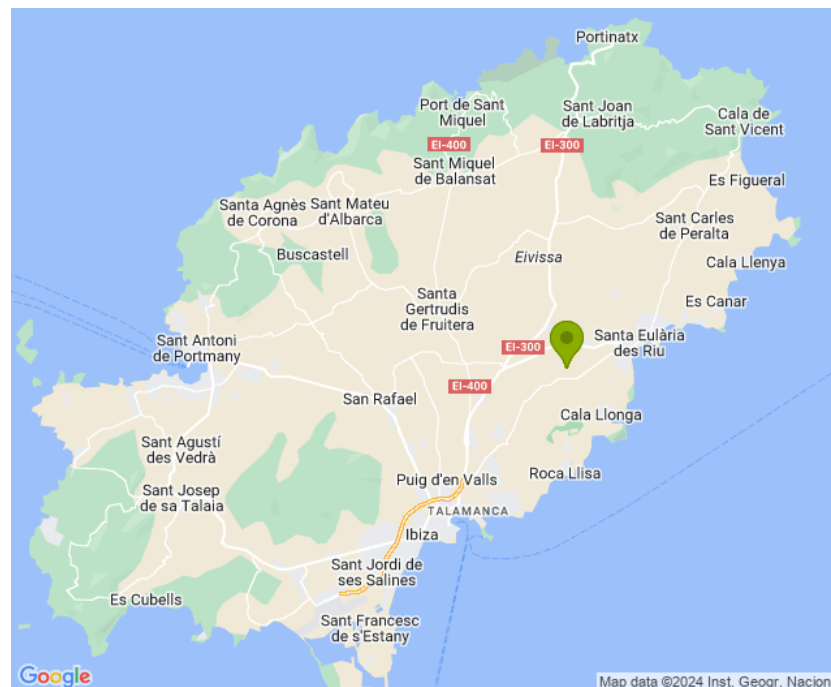

Discover the ultimate luxury villa in the heart of Ibiza's Santa Eulalia community, where unique architecture, natural simplicity, and meticulous attention to detail come together to create an unforgettable experience. Constructed with locally-sourced materials, the villa seamlessly blends in with its surroundings while offering rustic charm and functional elegance.

This stunning property boasts four beautiful bedrooms, each with its own en suite bathroom featuring wood and rustic beige finishes. The breezy living room is perfect for unwinding after a day of exploration, complete with a cozy fireplace and access to a terrace with an outdoor chill-out space shaded under a pergola.

Spread over 450 square meters of constructed area and situated on a vast plot of 15,000 square meters, this villa offers ample space for relaxation and privacy. The landscaped wild garden provides a tranquil retreat where you can relax in solitude, read a good book or take a siesta snooze.

The villa effortlessly and harmoniously engages with its environment, offering the luxury of privacy, space, and peacefulness in one of the last Mediterranean paradises. With an ideal layout for families, this is the perfect holiday home for children to enjoy while adults can indulge in unobtrusive relaxation.
