An enchanting villa boasting a large pool, delightful sea vistas, and breathtaking sunset views to buy

This expansive Finca, situated on a generously sized plot of land, offers a haven of tranquility along the serene western coast of the island. Boasting unparalleled panoramic views of the sea and sunset, this remarkable property creates an enchanting ambiance that is truly unmatched. Conveniently located within walking distance of the sea, it resides in a tranquil zone, surrounded by a friendly neighborhood and set against a backdrop of natural greenery. Notably, there is an additional plot of land in front of the property, adding to its allure and making it especially appealing to investors.
