For sale 3 bedrooms apartment to renovate in Ibiza city

Renovation opportunity: 3-bedroom apartment for sale in Ibiza town, a few steps of the port and all the necessary shops.

This spacious and bright 102 m2 apartment presents a great investment opportunity due to high demand for rentals and limited supply on the island, or for a family looking to own and renovate the apartment to their liking. It comprises an entrance hall, a living room with two large windows, a bedroom which can also serve as a dining room with cristal door leading to a small balcony, a corridor leading to a second large bright bedroom overlooking an interior courtyard. At the end of the corridor, you'll find a hall leading to the shower room, the third bedroom, and the kitchen which opens onto a terrace with a utility area on one side and a cupboard on the other. Don't hesitate to contact us as soon as possible, properties like this don't stay on the market for long.
